About Us

Picture of AttiCafe

Our Story

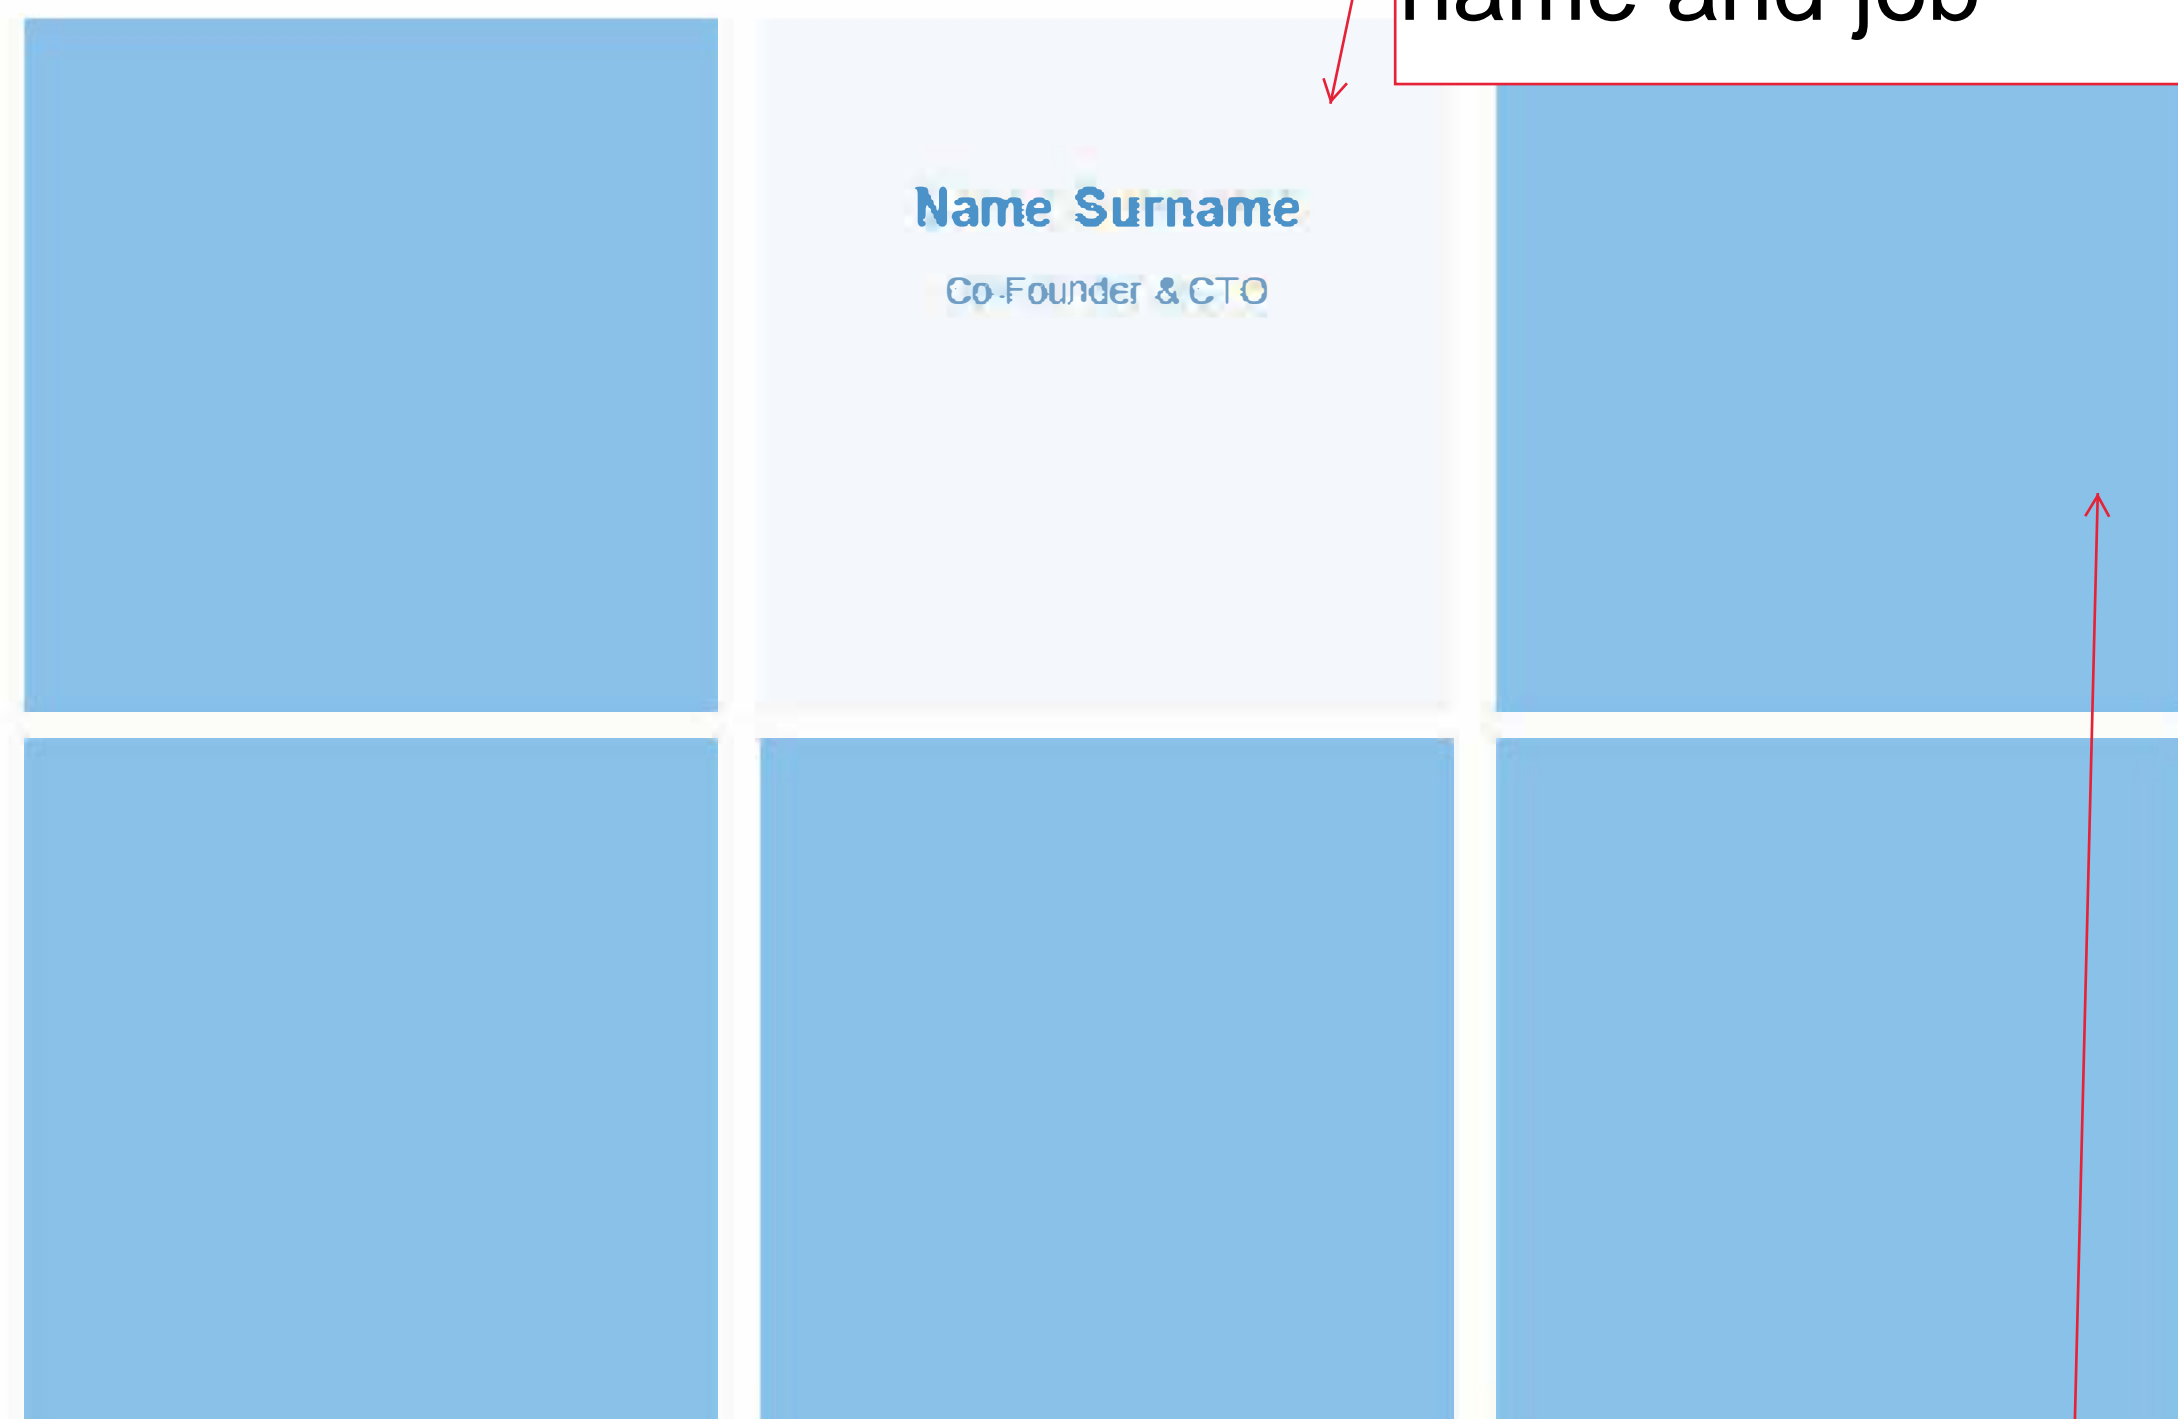

AttiCafé Corporation is a Malaysian coffee company and coffeehouse chain. AttiCafé was founded in Malaysia in 2002. As of 2018, the company operates at 6 locations nationwide.

AttiCafé is one of the leading coffeehouse chain in Malaysia through the introduction of "third wave coffee", distinguishing itself from other coffee-serving venues in the Malaysia by the quality of the coffee. AttiCafé considers coffee an artisanal food, like wine, rather than a commodity. AttiCafé have targeted quality-minded coffee drinkers with hand-made coffee based on lighter roasts.

Our Team

Our café could not have stood without our professional yet friendly team.

University Café Competition

In 2017, AttiCafé has partnered with University of Spectrum in the handling of a interschool café competition where aspiring students form their own mini-café under the guidance of our café staff. The winners were invited to a 3-month internship at AttiCafé, where they acquire experience working under a full-fledged café.

Partial Franchise Opening

In 2018, AttiCafé has partnered with Mr. Lee in opening a partial franchise of AttiCafé in Selangor. Under the support of AttiCafé, this franchise soon become renowned as one of the best coffeehouse in Malaysia. In the year 2018, this partial franchise earned a net profit of nearly RM500,000, making it one of the most profitable coffeehouse in Malaysia
